*"You can never cross the ocean  
until you have the courage  
to lose sight of the shore."  
Christopher Columbus*

*"Your time is limited, so don't waste it living  
someone else's life. Don't be trapped by dogma –  
which is living with the results of other  
people's thinking. Don't let the noise of others'  
opinions drown out your own inner voice. And  
most important, have the courage to  
follow your heart and intuition.  
They somehow already know what you truly  
want to become. Everything else is secondary."  
Steve Jobs*
