Medicare Part D Open Enrollment Period Opens Oct. 15

PIERRE — The Medicare Rx Access Network has re-energized its local partners to help prepare South Dakota seniors for the upcoming Oct. 15-Dec. 7 Open Enrollment opportunity for Medicare Part D Prescription Drug Plans. More than 137,314 South Dakotans are currently covered by Medicare. While there are still a few weeks until seniors can make changes to their benefits, Medicare Rx Access Network members are urging South Dakotans to prepare now. “The Medicare Rx Access Network will be out in the community making sure that seniors are aware not only of the open enrollment period but of all the options available,” explained Carletta Hauck, executive director of the South Dakota Academy of Family Physicians. “Seniors should compare their current plan with new coverage

options in their area. People change and so do their medical needs. Patients can make their benefits work for them.” Seniors wanting to compare their plans should visit www.medicare.gov or call 1-800-MEDICARE. These resources will allow them to easily compare their current coverage to their medical and financial needs to determine the most suitable option available to them in their area. In South Dakota, those with questions on Medicare and Medicare Part D can also call South Dakota SHIINE (Senior Health Information and Insurance Education Office) at 1-800-536-8197. The Medicare Rx Access Network will spend the next few weeks and months working with local health providers and community organizations to spread the word about the open enrollment opportunity.

Eighty-eight percent of Part D enrollees report satisfaction with their coverage, according to the KRC Survey for Medicare Today, done in October 2011. Network partners include: American Cancer Society, Cancer Action Network – South Dakota, American Lung Association of South Dakota, Arthritis Foundation Upper Midwest Region, Community Health Care Association of the Dakotas, National Alliance on Mental Illness – South Dakota, National Association of Social Workers – South Dakota, South Dakota Academy of Family Physicians, South Dakota Association of Healthcare Organizations, South Dakota Cares, South Dakota Council on Mental Health Centers, South Dakota Pharmacists Association, and the South Dakota State Medical Association.

Household Hazardous Waste Collection Set

A Household Hazardous Waste Collection will be held at 2-6 p.m. Friday, Oct. 12, in Vermillion and 9 a.m.-1 p.m. Saturday, Oct. 13, in Yankton. This collection provides opportunities for residents to safely dispose of products containing harmful chemicals. Unless used and disposed of according to directions, these household chemicals present a threat to the environment. Special handling is required to dispose of them properly. Materials collected are recycled, or disposed in hazardous waste landfills or incinerators. A licensed private company under contract to the Missouri Valley Recycling Center provides these services. There is a \$10 fee per vehicle to help defray the collection cost.

No School For Yankton School District Oct. 15

There will be no school at Yankton Public Schools on Monday, Oct. 15, a teacher work day for grading and report card preparation. The other two teacher work days for this purpose during the 2012-2013 school term will be Friday, Dec. 21, and Friday, March 8. There will be no school for Yankton Public School students on these days.

Flooded Farm Land Applications Due Nov. 1

Landowners who qualify for a reduction in assessed value on their flooded crop land must turn the needed paperwork in to their local assessor's office (Director of Equalization) by Nov. 1, 2012. Flooded farm land applications are available at the Director of Equalization Office. In Yankton County, that office is in the County Government Center, 121 West Third Street Suite 203, Yankton. For more information, call (605)260-4400 opt. 3.
