Search Continues For Missouri River Boat Operator Near Ponca State Park

LINCOLN, Neb. — A search is being conducted for a boat operator who fell out of a boat on the Missouri River near Ponca State Park on Saturday.
 The man launched at the park at 7:30 a.m., proceeding downstream to approximately river mile marker 753. The operator was attempting to anchor the boat when the anchor rope pulled him and a passenger overboard. The passenger climbed aboard and called the Dixon County Sheriff's Office at 8:03 a.m. The passenger was treated for mild hypothermia.
 The search for the missing man was conducted until approximately 7:30 p.m. and then resumed at 8 a.m. on Sunday.
 The Nebraska Game and Parks Commission is being assisted in the search by South Dakota Game, Fish and Parks, Dixon County Sheriff's Office, Ponca Fire and Rescue, Newcastle Fire and Rescue, Dixon County Emergency Management, Cedar County Emergency Management, Yankton County Search and Rescue, Great Plains Search Dogs of Brookings and the American Red Cross. The search is concentrating on an area between river mile markers 753 and 751.

USD Online M.B.A Program Lauded

VERMILLION — GetEducated.com, a consumer watchdog group that reviews and ranks online universities for cost, quality and credibility, has ranked the University of South Dakota for having one of the top 10 online M.B.A. programs nationally.
 GetEducated.com's 2012 "Best Online M.B.A. Programs" lists USD's online M.B.A. ninth, making it a Best Buy and one of the most affordable online master's degree programs available. A Best Buy designation indicates USD's program has been independently reviewed and found to offer a high quality distance M.B.A. to online students at a cost rate well below the national average of 85 AACSB-

accredited business schools. According to GetEducated.com, the average cost of a distance learning M.B.A. is \$36,166. USD's online M.B.A. average cost is \$12,144 based on GetEducated.com's comprehensive review of 139 competing online M.B.A. programs during a fall 2011 survey. Costs are specific to the online learning M.B.A. program as opposed to the residential M.B.A. degree.
 The online M.B.A. program at USD was developed for leaders of business, industry and government, and the program emphasizes decision making, problem solving, understanding the role of business in society and developing leader-

ON THIS DATE

75 YEARS AGO
Friday, October 15, 1937
 • Leadens skies and a raw, damp atmosphere gave threats of snow today and there was a trace of snow at about 7:30 a.m. — a few flakes in a small flurry which was not enough to whiten the ground. It was the first real snow to fall this season, although there were a few pellets of sleet that fell Thursday morning about 6:45.
 • Yankton College students and faculty plan a Pioneer Day homecoming this year that will depart from previous Pioneer day celebrations in many respects. The pep-fest last night was a day earlier than the traditional pre-Pioneer Day celebration, which in former years provided the annual "nightshirt parade."

50 YEARS AGO
Monday, October 15, 1962
 • The Yankton College Greyhounds dropped their fifth straight game of the season on Crane Field Saturday afternoon to the Concordia Bulldogs, 21 to 7. It was the annual Pioneer Day homecoming day on "The Hill."
 • Scotland High School's band was presented the VFW trophy as the best marching band in Yankton College's homecoming parade Saturday.

25 YEARS AGO
Thursday, October 15, 1987
 • Chiropractors might have more access to South Dakota hospitals after the state Health Department rewrites a regulation involving staff privileges. The South Dakota Chiropractors Association has been pushing for more than two years to be allowed to work on patients in hospitals.
 • Residents have posted a road sign declaring "A New Beginning" for this northeast Nebraska town (Verdigre) which found hard times in the agricultural recession. Speakers at a sign-raising ceremony praised efforts made to recover from the financial difficulties that led to the closing of the town's bank.
