As the South Dakota Class 11AA football playoffs are set to begin tonight the picture is clear at the top but gets murky after undefeated Brandon Valley and Washington.

Roosevelt (7-2) earned the third of four first-round byes due to their record but four teams came in at 6-3 after the O'Gorman, Lincoln and Pierre join the Yankton Bucks with six wins and three losses but it is the Knights getting

the fourth and final bve due to a strength of schedule tiebreaker with Yankton As the fifth seed, Yankton faces 12th-seeded Aberdeen Central, who tied Watertown for the worst record (2-7) to qualify for the playoffs.

With a win over the Golden Eagles, Yankton would travel to Sioux Falls to take on O'Gorman on Monday. The Knights, who fell to Brandon Valley, Roosevelt and Washington to start their season, defeated Yankton 54-14 in the second round of last year's playoffs. The Bucks would love nothing more than a rematch with their old neme-

sis. O'Gorman. But first, Yankton must beat an Aberdeen Central team that they are 30-3 against in the playoff era (1981-pres-

ent), including a 2-0 post-season record. Yankton coach Arlin Likness has said all year that his team treats each game as if the Bucks are 0-0. Never is that more true than in the playoffs.

Regular season records and triumphs mean little now. Win and you get to move and and play again. The players should consider no alternative option.

- Dylan Fischbach, a senior at Vermillion High School, COLORADO SPRINGS, Colo. — Dylan Fischbach, a senior at Vermillion High School, was one of 18 players selected to the USA U23 Men's Wheelchair Basketball Team, ac-

e team, which will be cut down to the final 12 next spring, will compete in Turkey for the World Championship in September 2013. The United States took home the bronze medal at the Paralympic Games last month.
