MEAD UPDATE

PHOTO: DAKOTA TERRITORIAL MUSEUM

Stonebrook Roofing Inc., workers and South Dakota inmates have been hard at work on the roof at the Mead Building. On Tuesday, Oct. 23, workers (pictured) were working to get the batting ready — an important step in tile layment preparations. The wind storms late last week did delay the crew and caused minor damage to the felt paper, but all repairs have been made and there is no expected delay in project completion. Within the next week, workers will begin installing the copper gutters. The new gutters were fabricated to replicate the original corroded pieces. If you are interested becoming a part of the Mead Building project, giving opportunities are available in a variety of donation levels. For more information on how things are progressing stop by the Dakota Territorial Museum, 610 Summit Street in Westside Park, or check out their Facebook page (Dakota Territorial Museum).
