WHEREAS, one of the purposes of SDCL Chapter 9-40 (the "Act") as found and determined by the Legislature is to provide for financing the acquisition, maintenance, operation, extension or improvement of any system or part of any system for the collection, treatment and disposal of sewage and other domestic, commercial and industrial wastes; or any system for the control of floods and drainage; or any combination thereof, together with extensions, additions, and necessary appurtenances; and,  
WHEREAS, a municipality is authorized to issue revenue bonds to defray the cost of ex-

WHEREAS, the City of Yankton (the "City") currently operates a sanitary sewer system for the collection, treatment and disposal of sewage and other domestic, commercial and industrial wastes; and for the control of floods and drainage and has determined that improvements to the sanitary sewer facilities are necessary for the conduct of its governmental programs and qualifies as an improvement, extension or addition to its sanitary sewer system; and,

WHEREAS, the City will adopt rates and charges to be pledged, segregated and used for the payment of the Revenue Bond.

NOW THEREFORE BE IT RESOLVED by the City as follows:

**SECTION 1. Definitions.** The terms when used in this Resolution shall have the following meanings set forth in this section unless the context clearly requires otherwise. "Loan" means the Loan made by the South Dakota Conservancy District to the City pursuant to the terms of the Loan Agreement and as evidenced by the Revenue Bond.

"Project" means the City of Yankton East Highway 50 Lift Station and associated force sewer main.

**2.1. Declaration of Necessity.** The City hereby determines and declares it is necessary to construct and finance improvements to its System described as the Project.

**2.2. Findings.** The City does hereby find as follows:

**2.2.1.** The City hereby expressly finds that if the Project is not undertaken, the System will pose a health hazard to the City and its inhabitants, and will make the City unable to comply with state and federal law.

**2.2.2.** Because of the functional interdependence of the various portions of the System, the fact that the System may not lawfully operate unless it complies with State and federal laws, including SDCL Chapter 34A-2, and the federal Clean Water Act, and the nature of the improvements financed, the City hereby finds and determines that the Project will substantially benefit the entire System and all of its users within the meaning of Sections 15 and 17 of the Act.

**3.2. Approval of Loan Agreement.** The execution and delivery of the Revenue Obligation Loan Agreement (the "Loan Agreement"), the form of which is on file with the City Finance Officer (the "Finance Officer") and open to public inspection, between the City as Borrower and the District, are hereby in all respects authorized, approved and confirmed, and the Mayor and Finance Officer are hereby authorized and directed to execute and deliver the Loan Agreement in the form and content attached hereto, with such changes as the attorney for the City deems appropriate and approves, for and on behalf of the City. **3.4. Pledge of Revenues.** The Revenue Bond together with the interest thereon, shall not constitute a charge against the City's general credit or taxing power, but shall be a limited obligation of the City payable solely out of the Project Debt Service Account, which payments, revenues and receipts are hereby and in the Loan Agreement pledged and assigned for the equal and ratable payments of the Revenue Bond and shall be used for no other purpose than to pay the principal of, interest and Administrative Surcharge on the Revenue Bond, except as may be otherwise expressly authorized in the Loan Agreement (including the purpose of securing Additional Bonds issued as permitted by the terms thereof). The City hereby irrevocably pledges to the South Dakota conservancy District all income and revenues of the System, including, without limitation, fees, charges to users of the System, penalties and hook-up fees, sign-up fees, proceeds of business interruption insurance, proceeds from the sale of property constituting part of the System and investment income on all such revenues, but only to the extent that the revenues exceed the amounts necessary to operate and maintain the System, pro-

vided there shall be excluded from this pledge the proceeds of any federal or state grant or loan, and the investment income therefrom, to the extent such exclusion is a condition of such grant or loan. The City covenants and agrees to charge rates for all services from the System or establish charges or rates which will be sufficient to provide for the payments upon the Revenue Bond issued hereunder as and when the same become due, and as may be necessary to provide for the operation and maintenance and repairs of the System, and depreciation, and the Rate Ordinance shall be revised from time to time so as to produce these amounts.
