KOLOR ME KIDS

Paycare • Learning Center

1501 Locust, Yankton

It is with great sadness that because of circumstances beyond my control, I will be closing my Yankton area practice as of October 31, 2013. The office will only be open for patients requesting a referral elsewhere for their ongoing care or for medical records transfer. I will still be available to see patients in Parkston, Wagner, Tyndall and Freeman, SD or through the VA in Sioux Falls.

To the people of Yankton and the surrounding area, I want to express my gratitude for what you have all done for me personally and for my family over the last 18 years. I have come to realize why they call this area the "Heartland of America."
