"We're looking forward to that, being under the lights," Epp said. "Doane beat us up bad last year. They're down but they have some athletes. If we don't come ready to play, it will be tough for us."

Arana feels that the GPAC victory will help the team's confidence.

A bulk of the area kids are

redshirting this season, but five — Larson, Livingston, Bloch, Kiger, Jared Van Winkle — were in the starting lineup a year ago.

They will likely return to those roles Saturday when Dakota Wesleyan hosts Dakota State, in a non-league game.

"Hopefully we can go to the playoffs and see what we can do," Livingston said. "Last year lit a fire for us to get better."
