*Deferred Interest if Paid in Full in 48 Months. A minimum purchase amount is required. During the 48 month promotional period a minimum monthly payment is required as disclosed on your billing statement. If minimum monthly payments are made you will not pay off the balance in the 48 month promotional period. Payments above the minimum amount due are required to avoid paying the deferred interest. The deferred interest will start on the date of purchase and end when paid in full or at the expiration of the 48 month period, whichever comes first. Interest will be charged to your account from the purchase date if the purchase balance is not paid in full within the 48 month promotional period or if your account becomes 60 days past due. After the deferred interest period expires, interest will be charged at the current APR for purchases until paid in full. The current APR for purchases is variable 28.99%. APR for purchases on existing accounts may vary between 26.99-28.99%. If any required minimum payment is 60 days past due, the Penalty APR, currently variable 29.99% will apply to remaining balances. Minimum interest charge \$2.00. A one-time promotional fee will be added to your account for this transaction. Offer subject to credit approval. Special orders and layaways require a 50% deposit. Prior sales excluded. Cannot be combined with other offers. Additional restrictions apply. See store for details.
