you're going to leave a couple high after that.'

Northern Iowa's line tandem of sophomore Brett Mc-Makin and senior Mac O'Brien combined for five sacks, six tackles for loss, while McMakin had an interception. Senior Ronelle Mc-Neil and junior Isaac Ales also had a sack.

'The game was won in the trenches, and their front seven was just sensational," Glenn said.

Though South Dakota scored a touchdown from running back Trevor Bouma (17 yards) on the game's first drive, the Panthers eventually took control in the second quarter.

A field goal followed by a 28-yard touchdown pass on consecutive drives gave Northern Iowa a 10-7 lead with 2:37 left in the first half a cushion it would maintain into the halftime break.

It wasn't just the Panthers' offense that sparked the turnaround, it was their defense. South Dakota was held to 67 yards of offense on the five series after the opening-drive touchdown.

The teams traded field goals in the third quarter, as the Panthers carried a 20-10 lead into the fourth quarter.

South Dakota put together a 99-yard drive early in the fourth quarter that resulted in a 25-yard touchdown from Earl to Brandt Van Roekel at the 10:17 mark. The extra point was blocked, but pulled the Coyotes within 20-16.

Northern Iowa, though, built a 27-16 lead with 7:49 to play after a 25-yard touchdown pass from Sawyer Kollmorgen to Daurice Fountain. Earl was intercepted on USD's next drive and the Panthers ran out the clock.

The story from the UNI offense that stood out most was the use of two quarterbacks, Kollmorgen and senior Brion Carnes — who started

his career at Nebraska. At times rotating plays, both passed for a touchdown. while Carnes ran for a teamhigh 55 yards.

"It was a changeup we weren't quite ready for," USD junior safety Jacob Warner said.

Another concern for the Coyote defense was not recording a takeaway - interception or fumble recovery — for the second consecutive week.

We've just got to work on attacking more, forcing more turnovers," Warner said. "We need to work on that."

One of the lone highlights for the Coyotes was sophomore kicker Miles Bergner setting a new program singleseason record for consecutive field goals made (10).

But even that was little consolation for a team that committed eight penalties (for 75 yards) and is faced with a trip to Missouri State next weekend.

'We showed we can play well at times, we just have to get more consistent," Warner said. "We know we can play with anyone we, just have to play with more confidence

and know we're the best team on the field that today."

solid as we normally do," said junior goalkeeper Mackenzie Viktor. "It took us a little bit longer to get into our groove and figure things out.

"But obviously got better, as you saw in the second half.

The Coyotes struck first on a goal 10:17 in from junior Elena Tsakakis, on an assist from sophomore Corev Strang and junior Rebecca Sparkman.

North Dakota State then scored the next two goals, from Gaby Arnquist and Anisha Kinnarath, before USD tied the game in the 41st minute on a goal from senior

Colleen Reeves. For the next 65 minutes the second half and two 10minute overtime periods the Coyotes and Bison tightened up on defense.

According to Reeves, that pace played right into the hands of the Coyotes, who came in leading the league in fewest goals allowed and most shutouts (7).

"We hold them to a higher standard, and they've been definitely been meeting it," Reeves said. "They've been playing hard, and that's what makes us better."

South Dakota's offense had a handful of opportunities to break the deadlock. The Coyotes had two shots hit a post in the first half and had another hit a post in the second half.

Those opportunities were all created by better play in the middle of the field, according to Green.

"Our midfield found the ball more and connected a lot better," she said. "That creates a lot of good things when we're doing that.'

The Covotes will get a look at defending Summit League champion Denver next Sunday out in Colorado. From there, USD will host second-place South Dakota State on Oct. 24 in the final home game of the season.

With games like that on the horizon, the Coyotes still aren't exactly upset with finishing Sunday with a tie, according to Viktor said.

"Even though it's a tie, if you look at stats and other things, we definitely figured things out," she said.
