Voter Registration Deadline Approaching

The deadline for registering to vote in the Nov. 4 election is Monday (Oct. 20) at 5 p.m., according to Yankton County Auditor Patty Hojem. Any South Dakota citizen who will reach age 18 before Nov. 4 is eligible to register, said Hojem. The only exceptions would be 1) felons who are currently serving a sentence that included an imprisonment, and 2) persons declared mentally incompetent by the courts. Hojem said college students have the option of voting in their home county or state, or re-registering in their college town — as long as they consider the college community to be their primary residence. The auditor said early voting is occurring at rapid rate. "We've already had 687 people cast ballots here, and the pace is picking up every day." Persons may register to vote by mail, but with just a few days remaining, the auditor suggests that they now stop in person at the County Government Center at Third and Broadway. For more information, contact Hojem at 260-4400.
