Coat, Winter Wear Giveaway Slated

Numerous groups within the Yankton community, and throughout the country, will be making an impact through the nationwide event, Make a Difference Day. Held annually in October, the United Way & Volunteer Services and Yankton Volunteer Leaders join millions of Americans on this day of action to help improve the world.

The biggest Make a Difference Day project within the region is the Coat & Winter Wear Giveaway, where hundreds of winter clothing items will be distributed to those in need. In preparation for this event, an annual Community Collection Drive is conducted. Community members are being asked to drop off gently used and clean winter coats, boots, snow pants, and winter hats and gloves to the Boys & Girls Club, Payless Shoes, Maurice's, Yankton Com-

munity Library or Avera Sacred Heart Hospital, main lobby entrance, Oct. 5-16. School aged students can drop off their donations at participating schools from Oct. 12-16.

Items needed are gently used and clean winter coats, boots, snow pants, hats and gloves. All sizes needed, but children's coats are most in need.

Upon collection of the items, they are sorted and displayed for the Coat & Winter Wear Giveaway at the Yankton City Gymnasium, 416 Walnut, from 5-7 p.m. Oct. 22. This year's event will also host a Community Resource Fair with information booths on community programs and services.

For more information about drop off locations, the giveaway or Resource Fair, contact the United Way & Volunteer Services' office at 605-665-6766.

Free Flu Vaccination Clinics Scheduled For Yankton School District Students

For the ninth consecutive year, Yankton School District and Avera Sacred Heart Hospital are offering free seasonal flu vaccines for children in grades JrK-12.

Vaccinating children helps protect them from serious influenza illness and complications and decreases the spread of influenza in the community, as children are often the biggest spreaders of influenza to adults and other children.

If this is the first time your child has received a flu shot and is under the age of 9, contact your health care provider if a second dose is needed.
