DAILY RECORD

CORRECTION

Due to incorrect information provided to the Press & Dakotan, it was reported that John Ballert, 37, Yankton, was arrested Aug. 27. The Yankton County Sheriff's Office issued a media release Friday saying he had not been arrested. Due to a computer software problem in the sheriff's office, Ballert's name appeared in the arrest report because another inmate who was arrested had used Ballert's name as an alias in the past. Consequently, both names appeared in the list of arrests produced by the sheriff's office for that day. The sheriff's office said it apologizes for the incident and is working with the software company to prevent such a mistake from occurring again in the future.

POUND COUNT

Several animals are available at the Yankton Animal Shelter. For more information call the Yankton Police Department's Animal Control Officer, from 8 a.m.-4 p.m. Monday-Friday at 661-9494, or 668-5210. A \$5 fee is required to adopt an animal. Animals can be viewed on the Humane Society Web site at www.heartlandhumanesociety.net.

DAILY RECORD POLICY

The Press & Dakotan publishes police and sheriff reports as a public service to its readers. It is important to remember that an arrest should not imply guilt and that every person is presumed innocent until proven otherwise. When juveniles are released from jail, it is into the care of a parent or guardian.

It is the policy of the Press & Dakotan to publish all names made available in the police and court reports. There are no exceptions.
