Responders See A Busy Weekend

Area emergency personnel responded to a pair of calls during the Labor Day weekend. On Sunday night, the Lesterville Fire Department was summoned to the lake area near the Boy Scout Camp for what was initially described as an asthma attack. However, the crew learned upon arriving that the asthma attack was brought on when a boat carrying eight people capsized into the river. Yankton County emergency crews were summoned to assist. On Saturday morning, Yankton crews responded to a one-vehicle rollover one mile north of Highway 50 on 436th avenue. A motorist was briefly blinded by the sun and ran off a dead-end road. The motorist was transported to a Yankton hospital with non-life-threatening injuries.
