Bucks Finish Seventh In ESD Golf

MITCHELL — Yankton placed seventh in the Eastern South Dakota Conference boys' golf Championship, held Saturday at Mitchell's Lakeview Golf Course.

Yankton had won five consecutive ESD titles, but graduated four of the six golfers from its 2009 title squad.

Pierre won the team title with a 304, led by medalist Seth Carter's 70. Mitchell's J.P. Schmitz finished one stroke back.

Aberdeen Central was second in the team standings at 310, followed by Huron (316) and Watertown (317).

Yankton shot a 338, led by eighth grader Jace Guthmiller, who tied for fifth with a 76. Also for the Bucks, Ryan Shindler, who returned from the ESD title team along with Guthmiller, shot 82, Ben Jensen shot 89, Cannen Barry and Mitch Schlingman each shot 91 and Tristian Barry shot 92.

Yankton is at the Great Eight Tournament today (Monday) at Huron. The event is the final tune-up for the State Class AA Championships, Oct. 4-5 in Huron.

NENAC Tournament

PLAINVIEW, Neb. — The Crofton high school girls golf team claimed a fifth straight conference championship on Saturday at the Northeast Nebraska Activities Conference Tournament.

Crofton (421) defeated second place Plainview (432) with the help of senior Molly Zavadil. Zavadil claimed the individual championship for the third year in a row with a score of 81.

Crofton will be traveling to Columbus on Wednesday to take part in the Columbus Scotus Invite.

five kills, nine digs and three aces, followed by Carol Logato with a team-high of 16 digs.

"We have a lot of players out on the floor that can score points to win matches, we are just losing to many points for ourselves," Houk said. "If a team is going to beat us, we wanted them to be better than us and right now we are not finding that out."

Trefz led the Sioux with 12 kills, eight digs and four aces, while Erin Joki added nine kills, five digs and two assists.

Tiara Russell had six kills and two blocks in the win.

Next on the schedule for USD is Utah Valley, which finished second in the conference last season, for the D-Days game on Thursday at 7 p.m.

"I think we are going to have to be the more aggressive team earlier in the match," Houk said. "Utah Valley is returning the GWC Player of Year and she is going to be ready to swing right out of the gate.

"So, that is what we are going to be working on in practice, forcing aggressive in game situations."

COYOTES

wide receiver Warren Holloway.

"We gave them two big plays in the second half, and you can't do that," Meierkort said.

No matter how the Coyotes lined up defensively in the second half, NDSU running back McNorton was able to find the hole.

To say the junior running back had a career day was an understatement. McNorton came into the game with his previous career-best day being 66 yards, and he rushed for 118 yards total on the year.

By the end of the game, McNorton became just the fifth back in NDSU history to rush for 250 yards as he finished with exactly that many yards. McNorton was just 17 yards off the single-game mark for NDSU.

McNorton said everything just seemed to flow the right way during the game.

"I was initially slashing, and I got guys to overflow. We were rolling and it was fun," he said. "I have a lot of respect for our offensive line, just believing and trusting in them"

McNorton's career day earned him Missouri Valley Football Conference Player of the Week honors.

For Meierkort and the USD defense, the game raised some concerns on how NDSU was able to run for 348 total yards.

"It was a zone play where they went inside and bounced it outside," Meierkort said. "Without looking at the film, it seemed like our linebackers and safeties got handled."

One issue really stuck out to USD safety Shane Potter.

"We really have to work on tackling. There were a lot of missed tackles," he said. "We played pretty well in the first half, and then came out in the second half and missed tackles. We have to pick it up."

Bernie & Jay Say...

Why Schools Are Hurting

Because state support for education has dropped from 38% to 31% in the last eight years — even though overall state spending rose 6.5% per year, nearly twice the rate of inflation!

The Pierre political machine's plan for funding education is apparently to force local school districts like Yankton to raise your property taxes through opt-outs.

Still, the "machine" has money for a fancy state air fleet, millions of corporate welfare dollars for foreign oil companies, special bonuses for select high-paid bureaucrats and other frills and wasteful spending.

We'll fight for spending limits on the bureaucracy (as other states have) so we can move resources to local school districts and keep our property taxes down!
