MEETING MINUTES

NORTHEAST NEBRASKA RC&D COUNCIL

It is exciting when some really good things happen. The building which houses the Northeast Nebraska RC&D office has been sold to Jim Meuret and his wife. Mr. Meuret is allowing us to stay in the building for 18 months at no charge. We are so appreciative for their generosity and thank them so much.

Also, another gentleman from Plainview, Warren Renter/Renter Insurance Agency is giving the RC&D \$250 per month to help pay our utility bills. After all the turmoil, it is so good to have good news thanks to our great people who support us. Some of the sponsors have also stepped up to the plate and offered more compensation for their sponsor dues.

Many of our council members were very busy this last couple months attending the county fairs and manning the RC&D booth. Thank you to all those that worked and to all who stopped by to find out what the RC&D can offer you. Don't forget to bring your old TV's and computer equipment components to one of the events we will be sponsoring Sept. 8-10. Sept. 8 the event will be held here at the office from 9 a.m.-11 a.m.; that afternoon from 1 p.m.-5 p.m. in front of the fire hall in Verdigré; on Sept. 9 at Wynot from 10 a.m.-1 p.m.; and on Sept. 10 from 9 a.m.-1 p.m. at Hoskins.

The Grassed Exchange seminar to be held Sept. 15-17 in Norfolk at the NECC Ag Complex is filling up fast. This should be an excellent Seminar and we encourage you to attend. For more information please contact the RC&D office at 402-582-4866 or by e-mail at northeastrcd@plwvnetco.net

The next RC&D meeting will be Monday, Sept. 26, 2011 at 7:30 p.m. at the office in Plainview, Neb. Please watch for more information on this meeting and the public is invited to attend.

INTERCHANGE

Interchange met at noon on Aug. 29 at Minerva's. The meeting was called to order by President Kathy Jacobs, and the Pledge of Allegiance was recited. Hostess Jane Ruppier of Ruppier Travel introduced Patty Yig who spoke on reflexology and detoxification. Patty explaining what both reflexology and detoxification are and the health and wellness benefits received from each. There are 7,200 nerve endings in the feet and both the feet and hands communicate with other part of the body through the nervous system receptors. By stimulating the receptors, foot and hand reflexology helps to break up nerve congestion, allow optimal nerve impulse function and help optimize organ functions.

The next meeting will be at noon on Monday, Sept. 12 at Minerva's. There will be no meeting on Sept. 5 because of the Labor Day holiday.

Toastmaster Officers Attend Area 62 Training

Avera Sacred Heart Hospital Toastmasters officers attended Toastmasters International Area 62 training recently at the Yankton Benedictine Center. The presentations centered on effective leadership and communication to conduct shorter, more efficient meetings. Breakout session topics included helping individuals and clubs set goals, public relations and mentoring. The officers in attendance (standing left to right) were VP Public Relations Muriel Stach, Club 6217 President Sheryl Schwartz, VP Education Jane Miller, and seated Secretary-Treasurer Tim Bohn, all of Yankton.
