VERMILION — In his first career start, University of South Dakota sophomore defensive end Tyler Starr earned College Football Performance Awards (CFPA) National Defensive Lineman of the Week honors, while Coyote junior punter, Cole Zwiefelhofer earned honorable mention CFPA Punter of the Week honors.

USD's Starr, Zwiefelhofer Earns National Recognition

Starr had a game-high six solo tackles, one assisted tackle, one sack, three forced fumbles, one fumble recovery and a pass breakup in the Coyotes' 37-20 loss at Football Bowl Subdivision (FBS) Air Force. Zwiefelhofer had six punts this past weekend for a 41.7 yard average. He had a career-best 72-yard punt in the first quarter to change field position as the Coyotes were backed up deep in their end.

Watertown's Hemiller Verbally Commits To USD Women's Hoops Program

Watertown senior Tia Hemiller verbally committed to the University of South Dakota women's basketball program last Tuesday, her coach Pat McClemons confirmed to the Press & Dakotan.

Hemiller, a 5-foot-7 senior guard, earned first team All-State Class AA honors last season after averaging 15.9 points, 7.3 rebounds and 3.4 steals per game. She helped lead the Arrows to a 13-9 record and an Eastern South Dakota Conference (ESD) regular season title as a junior. Hemiller played on the Northern Lites AAU basketball team this summer.

Hemiller is the third in-state recruit to verbally commit to USD for the 2012 class. She joins Heidi Hoff (Brandon Valley) and Margaret McCloud (Rapid City Stevens), both of whom were also first team All-State players last season.

For more information go to www.bowlsd.com for an entry form or check at your local bowling centers.

honors, in addition to being named the Great West Conference Defensive Player of the Week.

"He's a freak of nature for this level," Meierkort said Monday. "He's 6-5, 242 pounds, and can run like a deer. If we can keep him healthy, he'll make us a much better team."

Considering his performance came against a triple option Air Force offense, which requires the defense to use assignment-based schemes, Starr was all the more impressive, according to Meierkort.

"Teams will have to identify where he's at, otherwise he'll create havoc against anyone," Meierkort said. "It's a lot of accolades for a guy who's played only one game, but he deserves it."
