Sandbag Cleanup Event Slated For Saturday

The Yankton Area Chamber of Commerce, Keep Yankton Beautiful, Missouri River Futures and the National Park Service is looking for volunteers to help with the cleanup process at the affected areas of the Missouri River this Saturday, Sept. 24, beginning at 9 a.m.

Sept. 24 is also National Public Lands Day (NPLD) and is the nation's largest, single-day volunteer event for public lands in the United States. NPLD builds partnerships between the public sector and the local community based upon mutual interests in the enhancement and restoration of America's public lands. While the flooding in the Yankton area primarily affected private property, this joint effort is being made to ensure the proper

cleanup of the sandbags that are harmful to our waterways and public areas.

Areas that will need assistance on Saturday include: 1103 Sister Grove, 212 Kay Street, 217 Kay Street, 2603 Moonlight Drive, Larson's Landing and Lexie Lane.

Anyone willing to help is asked to meet at the Riverside Acres Park staging area for assignments. Trucks, trailers and skid loaders will be needed at several of the properties to haul sandbags to a nearby collection site. Property owners have the option of using the sand or taking the bags to the collection site set up by the county.

Property owners keeping the sand are responsible for the proper disposal of the empty bags. Owners keeping the sand

for use will need help opening bags and spreading it around their property. Volunteers are asked to bring a knife to cut bags and to wear gloves and proper shoes.

If you are not available on Saturday but would like to help out during the week, help is needed at 100 Kay Street after 4 p.m. to cut bags and spread out sand.

Contact Carol at (605) 665-4855 for directions and to schedule times.
