Building strong relationships in our community

For over 160 years, we have been an active part of South Dakota communities — as friends, families, neighbors, and business leaders. Whether as Express Agents in times past or Community Bankers of today, we're dedicated to helping our communities succeed financially while preserving shared history along the way.

The opportunity to show our commitment means a lot to us. What each of us contributes can, together, make life better for everyone.

In 2011 we've helped make life better by donating more than \$14,400 to Yankton area nonprofits and schools. Meanwhile our team members gladly donated more than 390 hours of volunteer time to their community.

We are proud to be a part of the Yankton community.
