Round Up Sunday Set For Sept. 8

time to round up the Littl' doggies, mommas and pappas for a good ole' country worship service. Quitchur fussin, western wear is jus fine! (Kick the stuff off the

Something special is happening at First United Methodist Church of Yankton on Sunday, Sept. 8. There will be banjo, fiddle and guitar pickin', along with good old hymn singing, inspiring message from the Word of God and the invitation is open to all to attend. We have open hearts, open minds and open doors, with a mission to grow disciples of Jesus Christ and equip them for ministry in the world.

"Round-Up Sunday" is a

the Sunday School year for all ages, pre-K through seasoned adults. Sunday School, Christian education, classes begin at 9:45 a.m. There will be one worship, beginning at 10:45 a.m. and followed by a (free will donation) lunch of taverns and all the trimmings.

There will be huge inflatables for the children, face painting and other fun ac-

tivities. The First United Methodist Church is located at 207 West 11th Street in Yankton. For more information or if you have questions, please call the church at 665-2991. We invite you to be a part of our loving, caring church fam-

Family Visitation Center Presents Family Fun Day

The Family Visitation Center in Yankton is having a Family Fun Day at Memorial Park on Saturday, Sept. 14, running from 11 a.m.-3

There will be a Bouncy House, Outdoor Sports, Face Painting, Carnival Games and Arts & Crafts.

There will also be a free lunch featuring hot dogs and chips served from 11

a.m.-1 p.m. for the first 200 people.

This is a free event for the community.

Volunteers are being sought to help with the carnival games, the food table and arts and crafts, so if anyone would like more information, or would be willing to give some time to a great event, contact Lyndsay Evans at 605-665-1204.

Tabor Senior Citizens Center Monday — N/A Tuesday — Swiss Steak Wednesday — Beef Strog. Cass. Thursday — BBQ Beef Friday — N/A

When Should I take My Car In For Regular Lubrication

BY TOM AND RAY MAGLIOZZI King Features Syndicate, Inc.

Dear Tom and Ray:

My question concerns the "lube" portion of "lube, oil and filter." A couple of years ago, I took a new job that is a mere four miles from my home. Between the short driving commute and bicycling to work, my car sees few miles and spends a lot of time in the garage. This has been good for both my waistline and my wallet, since my insurance company offers a low-mileage discount. However, this also means that I go a long time between lube, oil and filter services. Instead of every three months, it may take me six months to put 3,000 miles on my car. And with you guys preaching longer times between oil changes these days, I could conceivably go nine to 12 months between lube, oil and filters. This may be fine for the oil and filter, but should the undercarriage and chassis of a car be lubricated more than once a year? When I do take the car out for longer trips, I can hear squeaks, and it feels stiff (or this could just be my imagination). Should I have the car lubed every three or six months, even when it doesn't need its oil and filter changed? Thanks!

TOM: When you take your car into the shop these days, there's really not much for the mechanic to lubricate,

CAR TALK

Tom and Ray Magliozzi

Dann — other than your credit card, to make sure it swipes nice and smoothly.

RAY: On modern cars, things like ball joints are all permanently sealed at the factory now. So when you look at most maintenance schedules, there's almost nothing that calls for lubrication.

TOM: There are lots of trucks that still have grease fittings on ball joints and tie rods, but we hardly ever see cars that take grease anymore.

RAY: In fact, the only use our old grease gun gets anymore is juicing up the toilet seat on April Fool's Day.

TOM: However, if something specific is wrong, certain parts can be lubricated to try to address the issue. For instance, if a customer comes in with a stiff, squeaky door, we'd obviously lubricate the hinges.

RAY: Or if a customer with an older car complains that it's creaking when it goes over bumps, we'd start by lubricating the control arm bushings, and maybe the stabilizer bushings, too.

TOM: Those bushings can dry out over time, and they often respond to an application of good penetrating oil. You might want to have your mechanic try that for you, Dann.

RAY: But if you do that once, it should be good for years. There's no reason to do it every three or six months. So just base your maintenance visits on when you need an oil and filter change, and forget all about the word

You want to buy a used car, but how do you find a good one? Tom and Ray can help! Order "How to Buy a Great Used Car: Secrets Only Your Mechanic Knows." Send \$4.75 (check or money order) to Used Car, P.O. Box 536475, Orlando, FL 32853—6475.

Back To School Mass

Students and staff from both Sacred Heart Elementary School and Sacred Heart Middle School gathered for a group photo following the All School Back to School Mass on Sept.

Bellini To Headline Conference Sept. 19-20

VERMILLION — Scott Bellini, Ph.D., HSPP, and director of the Social Skills Research Clinic in Indiana is this year's featured presenter at the Center for Disabilities Fall Autism Conference. Bellini's focus is empirically examining the outcomes of social skill interventions for youth with Autism Spectrum Disorders (ASD). His presentation is titled "Developing Social Skills in Children and Adolescents with Autism Spectrum Disor-

Bellini also serves on the faculty in the School Psychology program at Indiana University, Bloomington, and is a licensed psychologist in Indiana, as well as a health services provider in Psychology.

The conference will be held Sept. 19– 20 at the Hilton Garden Inn in Sioux Falls. Both days run from 8:30 a.m.-5 p.m. Educators and therapists who work with adolescents on the spectrum along with and parents of youth with ASD can benefit from this conference.

"Deficits in social skills are one of the core features of ASD, which creates difficulties functioning across all areas of life," said Eric Kurtz, Ph.D., director of the Center for Disabilities Autism Spectrum Disorders program. "This conference will assist in developing evidence-based programming to facilitate better outcomes socially, educationally, vocationally, and assist individuals with ASD in leading more independent lives.'

For more information about the conference or to register, go to www.usd.edu/medical-school/center-for-disabilities/fall-autism-c

Nebraska 'Points Of Light' **Nominees Are Being Sought**

LINCOLN, Neb. — There's at least one in every organization — that special volunteer who gives a little more, who is always there, who never gives up. Recognize that person in your community by nominating them for a Governor's Point of Light Award, a statewide initiative of ServeNebraska and the Office of the Governor.

Go to the ServeNebraska website http://www.serve.nebraska.gov/awards /awards_governor.htm to download, complete and submit your Governor's Points of Light Award nomination, for someone who has made a big difference in your school, organization or community. The application deadline is

Every quarter Gov. Heineman, honors accomplishments of Nebraskans who have given exemplary volunteer service to their communities. Community service may be focused on the city, county or state-level. The nominated activity should be at least one year in duration.

Nominations will be accepted in the following categories:

• Adult — Ăny individual over the

age of 19 • Group — Any volunteer group or group that performs volunteer service • Youth — Any individual under the age of 19

If you have questions about the awards or nomination process, contact Kimberle Hall at kim.hall@nebraska.gov or 402-471-6228.

ServeNebraska manages programs and initiatives to mobilize Nebraskans to get involved with community service and volunteering, including the statewide AmeriCorps program.
