City: Remember New Sign Ordinance Rules

Rummage or yard sales signs may be posted on private property at the location of the sale only.

A good general rule is to keep signs to the inside (house side) of the public sidewalk or about fifteen (15) feet from the roadside curb if there is no sidewalk.

For the safety of all drivers and pedestrians signs cannot be posted in boulevards, attached to utility poles, street signs, street trees, light poles, or be placed in parks. Signs posted in the public right of way will be removed.

For more information on sign placement and permits, visit cityofyankton.org or call (605)668-5251.
