A Perfect Picnic Pairing

Celebrate the summer sun with the ultimate in al fresco dining — a picnic with friends and the perfect pairing of wine. Kendall-Jackson Grand Reserve Chardonnay is a winemaker's blend from hillside vineyards along California's cool, coastal appellations. Made from hand selected grapes from the best estate vineyards, each lot is kept separate, barrel-aged and handcrafted — boutique winery style. With rich, tropical flavors accompanied by clean acidity and finesse, this elegantly layered wine exhibits a rich texture with a hint of vanilla and spice. It pairs deliciously with picnic foods like creamy goat cheese, garlic roasted hummus and crudites. For more information, visit www.kj.com.

Library Hosts 'Dakota' Book **Discussion Slated Sept. 24**

VERMILLION — The Edith B. Siegrist Vermillion Public Library will host a discussion of "Dakota," by Kathleen Norris, on Wednesday, Sept.

24, at 7 p.m. Norris' "Dakota: A Spiritual Geography" is the 2014 One Book South Dakota, chosen for its ability to provoke discussion about the state's culture and identity during the 125th anniversary of statehood. "Dakota" is also serving as the common read book for North Dakota in 2014 as the two states' humanities councils and anniversary committees are collaborating to commemorate the 125th anniversary of the entry of South and North Dakota into statehood.

Since 2003, the One Book South Dakota program has encouraged all South Dakotans to read and discuss the same novel or memoir throughout the course of a year. Community and book groups receive books on loan and can invite a South Dakota Humanities Council scholar to facilitate discussion. The South Dakota Humanities Council printed 3,000 special edition copies of the book for the purpose of circulating it around the state, along with a custom study guide.

"Dakota" is a former New York Times Notable Book of the Year and was selected as one of the best books of the year by Library Journal. The

San Francisco Sunday Examiner and Chronicle calls Norris "one of the most eloquent yet earthbound spiritual writers of our time." South Dakota Humanities Council uses its One Book Program to engage audiences from the smallest towns, biggest cities and reservations in the state. For more about the South Dakota Humanities Council and the One Book program, visit www.sdhumanities.org

The Edith B. Siegrist Vermillion Public Library is located at 18 Church Street in Vermillion. For more information call the library at 605-677-7060.
