

*It takes a village
to raise a child.*

African Proverb

When families, schools, and communities collectively agree upon goals, we all benefit.

Schools benefit from the support of families. Families and community members can help contribute to their children's education. Communities are awarded with an educated, responsible workforce.

By working together, we can all look forward to a more promising future.

Thank you to the schools, families and communities that help 'raise our children'.

Our education systems are the best in the area and we at Opsahl-Kostel Funeral Home and Crematory are proud to support our area schools and colleges.
