Yankton residents Doug Haar (second from left) and Dave Hosmer (second from right) were honored Friday at the Yankton High School theatre for their work in compiling stories of area veterans who served in World War II. Members of Haar's and Hosmer's families were present for the event, along with some of the veterans they have interviewed, as well as YHS students. Daugaard Announces \$7,773 for Wakonda Recycling Trailer

PIERRE – Gov. Dennis Daugaard says the state Board of Water and Natural Resources approved a \$7,773 Solid Waste Management Program grant for Wakonda to purchase a recycling collection trailer.

The grant will be administered through the Department of Environment and Natural Resources.

"I am pleased to announce that Wakonda will receive this assistance," said Gov. Daugaard. "This funding will

help increase recycling by providing a convenient and accessible drop-off point for area residents."

Wakonda is proposing to purchase a recycling collection trailer to receive drop-off recycling materials. The area currently does not have access to a recycling drop-off point. The Clay County Highway Department will transport the collection trailer to and from the Vermilion recycling center.

The estimated cost of the recycling

collection trailer is \$9,716.

The Solid Waste Management Program provides grants and loans for solid waste disposal, recycling and waste tire projects statewide. Revenues come from dedicated solid waste fees that are deposited in the state Water and Environment Fund. The Legislature appropriates Water and Environment Funds annually to the Solid Waste Management Program through the Governor's Omnibus Water Funding Bill.

After the end of the war he returned to college at the University of South Dakota earning a degree in education.

Throughout high school and college George was a sports fanatic. Though he loved all sports, basketball was his favorite. He lettered all 4 years in high school, in his year at Southern, and at USD. He also played service ball with the Albuquerque Second Air Force team.

George returned to take a teaching/coaching position at Lake Andes and married "that little Vesely girl" Eleanor Jane Vesely on August 22, 1949. They later moved to Pickstown, Corsica, and Bonesteel for teaching and superintendent jobs. He owned a number of businesses including the A&W, Norge Village Laundromat, and the Cork and Bottle. He sold real estate with the motto "Let George do it!"

George is best known for his optimism and encouragement of those around him. He touched the lives of many, many students and absolutely loved people and interacting with people. His desk was full of cards and letters from former students and grandchildren and he kept them all. He had a great sense of humor and often joked that 5 of his 6 kids turned out OK. He was active in Sacred Heart parish singing in the choir and attending daily Mass. As a member of the Knights of Columbus he burned many a piece of toast at the KC breakfasts. He was a longtime supporter of Mount Marty College athletics and was honored to be a Lancer Legend. He volunteered in many ways including delivering meals on wheels and visiting people in the nursing home. He was a wonderful father to his six children, and greatly enjoyed his grandchildren.

George is survived by his wife of 66 years, Eleanor; one sister, Patricia Borgen, Slidell, LA.; one brother Dick (Dona), Boulder, CO; three
